Dear Members and Friends,

I hope you are enjoying the summer. We are sending you this letter as a mid-summer newsletter to keep you informed, especially our snowbirds.

The most important news is the death of Tom Maybury. Tom died on June 22 in East Longmeadow, Massachusetts with his loving family by his side. Tom has been in declining health the last few years. A service was held on June 25th at the First Congregational Church, East Longmeadow.

**A memorial service will be held in Fort Pierce at the church on Monday, August 1, at 10:30 a.m.**

Tom meant a lot to our church and gave of himself to our church in many ways. He is missed!

We also received news of the recent death of Dewey Showalter in Everett, Pennsylvania.

Our prayers are with Joyce Maybury and Family, the Dewey Showalter Family, and Doug MacWilliam who has been in the hospital in Gainesville, but is now home.

On a happier note, we welcomed six new members into our church fellowship on Sunday, June 19th. We welcome:

We congratulate Kim and Virginia Heveron-Hurlbert who were united in marriage on Saturday, July 2nd.

The regular newsletter will be out in September. We hope all of you are taking this time of the year to enjoy life and grow in God's grace. The news of the world can be depressing. Turn off your televisions and computers and cell phones and find ways to enjoy your life and your world!

Yours in Christ,

Dr. Marshall Cook
